

Here at Embers we have everything you may need to make your stay an authentic and comfortable one, and as a result we're sure you'll have a fantastic stay!

Our spacious Grass Pitches are perfect for pitching your tent, or have the ease of a Bell Tent pre-erected before your arrival. There's bedding, ice-box and bunting options too!

Our pitches are all around the outside of each site looking in towards a large field, so children (and Adults!) can run about & play games. Being car free and not and no cars means that its safe to play.

At Embers, we take the greatest care to ensure you have all the necessary home comforts during your stay. We have purpose built washroom facilities with under-floor heating, piping hot shower cubicles with enough space for a family shower and rustic outside basins to wash the camping dishes.

Our washrooms are built with Oak frames and clad in wood offering a rustic, countryside feel to make your camping experience as authentic as possible.
